14 Point Program Is Put Before Pahokee Rotarians

Under the direction of President Frank Shaughnessy and with the help of many interested members, the Pahokee Rotary Club is taking on new life. A definite active program has been set up and committees have been appointed to carry out assignments.

Outstanding among the Rotary items is the Rotary Welfare Fund which was started a few weeks ago when 40 Rotarians pledged to raise \$50 each for a total of \$2,000 for the fund. To date \$600 has been turned in by members and other cash is to be turned in soon, some of the members reported.

At yesterday's meeting President Shaughnessy reported that members who have been attending city council meetings have made the following recommendations:

That a public address system be installed in the council meeting room.

That the city enforce all building codes.

That a complete reclassification of property be made in order that insurance rates may be adjusted downward.

That the city government be changed to a city manager form of government.

The Community Service Committee with Abe Dobrow as chairman met at his home recently and came up with 14 definite aims for the club and Pahokee. Those attending the meeting were: Thurmond Knight, Homer Clause, Don Hillier, O. R. Bleech, Tom Kirk, Rev. Hoke Shirley, Johnny Thomas, Jack Phillips, R. J. Simonson, John Bolton, John Pickett and Jack Spencer.

The committee offered, after study by the above group, 14 definite aims to be carried through to completion. The items and committee members appointed to spearhead each separate one appear below:

1. Hotel and motor court. Homer Clause and O. R. Bleech.
2. Dock facilities. P. P. deMoya, B. Elliott, John Pickett, Don Hillier.
3. Fishing, camps, boating. V. C. Denton, Elmer Jones and Harold Rosenberg.
4. Road beautification. O. B. McClure, E. L. Pope and Paul Rardin.
5. Airfield. Paul Rardin, Thurmond Knight and John Dulany.
6. Hospital, status, operation, etc. Rev. Hoke Shirley and P. P. deMoya.
7. Associate Members. T. W. Knight and O. R. Bleech.
8. New Industry. P. P. deMoya, B. Elliott and Paul Rardin.
9. Clean up and paint up. Tom Kirk, Claude Shirley and Harold Rosenberg.
10. Parking meters. Jack Spencer, Joe Kahn and John Bolton.
11. Student loans. J. V. Thomas.
12. Crippled children and dental clinic. Dr. W. C. Young and R. J. Simonson.
13. School lunches. W. W. McCurdy and Leslie Ippock.
14. Welfare. Abe Dobrow, Harold Rosenberg, Joe Thompson, V.

Last Rites Held For Mrs. Margaret Hyatt

Funeral services for Mrs. Margaret Summings Hyatt, 82, of West Palm Beach were held at St. Ann's Catholic Church in that city on Tuesday morning.

Mrs. Hyatt moved from Buffalo, N. Y., to West Palm Beach in 1939 and lived in Pahokee for several years with her son, Robert J. Hyatt, in one of the Boe houses. She died at her home in West Palm Beach Sunday.

Survivors, in addition to her son, include a daughter, two sisters, two brothers, two grandchildren and four great grandchildren. Burial was at the Hillcrest Cemetery.

Salvatore Is Not School Candidate

Carmen Salvatore said yesterday he will not be a candidate for school board. The district represented by Mr. Salvatore is comprised of that section of the county lying north of the Hillsboro canal, taking in Chocoma, Pahokee and Canal Point.

Mr. Salvatore has served as a member of the board for 16 years and during all those years he has at all times had the interest of the schools at heart.

In commenting upon the fact that he would not be a candidate Mr. Salvatore said: "I want to thank the school patrons for the splendid cooperation I received through the years. I am mindful of many courtesies extended to me and I shall always be grateful to the public for allowing me to serve in the capacity as a school board member."

A. Q. Howell, a former member of the board and resident of Canal Point, qualified last Saturday as a candidate for the place on the school board. However, up until today Mr. Howell has made no public announcement through these columns.

The Beta Omicron Chapter, Beta Sigma Phi Sorority, will sponsor an invitational box supper and square dance at the Elks Hall Saturday, Mar. 11, starting at 7 p. m.

C. Denton, Elmer Jones.

The committee also suggested that a recording secretary or named to keep an up-to-the-minute record of all accomplishments shown by above groups. The secretary would place before the president and club at each meeting a full and complete report of just what had been done on the 14 points.

The committee also suggested that the Lions exchange a member with the Rotary each week. Another suggestion by the committee was that the Rotary club in a body attend the first regular meeting of the council each month and the Lions attend the second.

Another Snag Has Bacom Point Road Job Halted Again

Thirty-seven owners and operators of dump trucks, employed on the Bacom Point Road construction project, have terminated their verbal contract with a sub-contractor and seek to bargain directly with the contractor, according to W. R. Pritchard, Miami truck owner and spokesman for the group.

Mr. Pritchard said the men were employed individually by the Rathburn Hawley Co., Boynton Beach, to furnish 100,000 cubic yards of fill for the road, which is being constructed by Smith and Reynolds Construction firm.

He said the Boynton Beach firm has only one or two of its own trucks on the job, and employed the others to fill the contract on a brokerage fee per cubic yard basis.

"The truck owners and operators want to save that brokerage fee, because it is their profit per yard," Mr. Pritchard said.

Mr. Pritchard stated on March 6, the 37 men informed, Rathburn Hawley Co. they would operate on a profit unit, terminating set-up and asked for new contract and cancel the verbal contract.

He said seven owners went back to their homes while the remaining 30 waited to receive complete payment for the 50,000 cubic yards already delivered.

Canal Point Over Red Cross Drive

Canal Point community went over the top yesterday in the annual Red Cross drive, according to Roswell Harrington, chairman in charge of the fund raising campaign. The American Legion Auxiliary under the leadership of Mrs. Frank Wilson made the house to house canvass while the business area was canvassed by a committee under Osceola Upthegrove and Claude Santee.

John Barrett collected from the colored population in Canal Point. H. T. Rogers of the USS Corp., at Bryant was assisted in collecting from the colored population there by Sam Dobar.

Mr. Harrington said that the Canal Point quota this year was \$250.

Altman Morgan Is Qualified To Run

Altman Morgan, chief of police in Pahokee, said yesterday that he had qualified with the city clerk to make the race for re-election as chief. A formal announcement will be made later by the chief, he told this newspaper.

Harry M. McIntosh of Pahokee was named a member of the state executive council of the Florida Bankers Association at a recent meeting of FBA Group Six in the George Washington Hotel, West Palm Beach.

Tree Topping To Be Done As Originally Planned

Graveside Service For Infant Reynolds

Funeral services for Martin Eugene Reynolds, infant son of Mr. and Mrs. M. E. Reynolds, were held at the graveside at the Port Mayaca Cemetery Thursday, Mar. 2, at 11 a. m., with Rev. Ralph W. Todd, pastor of the Pahokee First Methodist Church, officiating.

Survivors include the parents and grandparents, Mr. and Mrs. Louis Vann, of Pahokee. Berry's Funeral Home was in charge of arrangements.

Grocer Suddenly Dies At Home Here

Funeral services will be held this afternoon at three o'clock for Alfred M. Andrew, 59, who died suddenly at his home in Canal Point Wednesday afternoon following a heart attack. Services will be held at the Methodist church with Rev. Earl J. Jones officiating and burial will be made at Port Mayaca.

He is survived by his wife, Mrs. Bertha Mae Andrew; two step daughters, Mrs. W. E. Blackwell and Mrs. Robert Sanders, both of Pahokee; four stepsons, William F. Lovell and W. P. Lovell, both of Dundee, D. W. Stokes, Miami, and Charles Stokes, Canal Point; two brothers, Albert Andrew, Carey, N. C., and Herman Andrew, Burlington, N. C.; and a sister living in Burlington.

Active pallbearers are: Bennis Sims, Osceola Upthegrove, B. T. Smith, W. E. Johnson, B. A. Belcher and Monroe Pope. Honorary pallbearers are: C. A. Scott, Paul Rardin, D. L. Hooks, Leonard Geiger, C. G. Coburn, James L. Jones and Olaf 'Boe.

Mrs. Dulany Will Lead Census Crew

Mrs. Miriam L. Dulany of Pahokee has been appointed one of the crew leaders for the 1950 federal census by Hal D. Laughbridge of West Palm Beach, federal census supervisor for the 11th district. She has been assigned the Lake Okeechobee area of Palm Beach County including Canal Point, Pahokee, Belle Glade, South Bay and Lake Harbor, which will be covered by 14 enumerators.

Mrs. Dulany will receive a week of technical training with other crew leaders at the census bureau office in West Palm Beach, with Gaylord Green of Washington, D. C., acting as instructor. The crew leaders will in turn train the enumerators working under them.

Mr. and Mrs. H. B. Miller and her mother, Mrs. Mary H. Wilson, were called to Weir, Miss., recently by the death of Mrs. Wilson's brother.

The trees alongside canals in the Everglades will be topped according to the ORIGINAL PLAN as suggested in resolutions as adopted by civic clubs in the area several months ago. This decision came as a climax to a decision by Judge Joseph S. White in which he issued a restraining order to halt cutting down of the trees by the State Road Department and Thomas Handley, contractor, in charge of the work.

After the hearing adjourned Harry Stewart, counsel for Handley, and Jack Johnson, Belle Glade, of counsel for Lewis Friend of Pahokee and other plaintiffs, announced in Judge White's presence an agreement for the injunction suit to be dropped or held in abeyance.

They said the SRD on its part agreed to the 15-foot height. Civic clubs had asked the road department to top the trees at a 12 to 14 foot height.

That cutting down the oaks robbed Western Palm Beach county of a scenic asset; increased danger of automobiles running into the roadside canals and robbed the Everglades of windbreaks and levee reinforcement which the trees formed.

The plaintiffs said Everglades civic clubs had favored topping the trees and that that was what the SRD had ordered, instead of cutting them 3 feet from the roots.

M. P. Stanley Buys Snyder Chevrolet

M. P. Stanley, former manager of the Ford dealership in Trenton, Fla., became owner of the Chevrolet agency in Pahokee this week when he bought out the interests of Snyder Chevrolet Company, according to an announcement made yesterday by L. C. Snyder.

Mr. Snyder had operated the concern for 15 months. He expressed his sincere thanks to the public for the patronage accorded him during the 15 months. He announced no future plans.

Mr. Stanley has had many years experience in the automotive industry. He and his family will make their home in Pahokee.

Boy Scout Heads In Executive Meeting

The executive committee of the Gulf Stream Council, Boy Scouts of America, held its quarterly business meeting at the Methodist Church in Pahokee Tuesday night, with Jack Faircloth of West Palm Beach, chairman, presiding. The annual charter review of the Gulf Stream Council took place during the meeting.

A chicken supper was served to committee members by the Methodist Youth Fellowship group with Mrs. M. I. Keen, Mrs. J. D. Rogers and Miss Laurie Rogers in charge.

News Notes From State Capital

TALLAHASSEE—Sunshine Park race track was linked by telephone service to a bookie communications shack just outside its gates, the Florida Railroad and Public Utilities Commission learned, in a hearing in which the Peninsular Telephone Company was on the carpet. Officials of the telephone company said they didn't know the bookie shack phones were used illegally, in fact, they said linemen were just rearranging the lines when they extended circuits from the race track switchboard to the shack where state investigators from Attorney General Ervin's office found racing information being phoned to New York. The railroad commission is making a study of testimony taken during three full days, to apply the anti-bookie law where possible.

TALLAHASSEE—Governor Fuller Warren has announced a policy of not suspending elected county officials unless they should be indicted by a grand jury. This followed a recent visit to Miami to investigate charges of widespread gambling, and his later announcement that he would not suspend Sheriff Jimmy Sullivan of Dade county. The governor stated he will appoint a state-wide law enforcement committee of citizens to study the judicial system and recommend changes.

TALLAHASSEE—Attorney General Richard W. Ervin has given his opinion this week on the following subjects:

MARRIAGE—Official of Salvation Army devoted to religious affairs may administer marriage ceremony.

VOTING—Law permitting persons under certain conditions to be registered to vote in primary without six months' residence has been repealed.

COMMITTEEMEN—Members of county Democratic committee are elected in this spring's second

primary, may qualify to noon March 18.

PARTY—Registered voter may change party affiliation by notice in writing to supervisor of registration.

REGISTRATION—Persons employed by state may not register to vote where they please, but only in county of residence.

MILITARY—All persons in military service who desires to be registered in Seminole county must appear in person.

TAGS—State cannot issue exempt automobile tags to any non-profit corporation except the Boy Scouts and its subsidiaries.

BUSES—Cities and towns cannot adopt traffic rules that would eliminate requirement for stopping when school buses are loading or unloading.

SCHOOLS—School boards may be liable for injuries to teacher hit on head by batted baseball during school hours.

INSURANCE—State may not pay part of health and hospital insurance premium under group plan for public institutions.

RETIREMENT—Teaching service in Canada cannot be considered "prior service" under Florida teacher retirement act.

DUMP TRUCK—Definition of dump truck may not be extended to semi-trailer, even though it unloads mechanically.

TALLAHASSEE—A second Leon county grand jury has retired without making any finding on charges lodged against the former president of Florida A and M College for negroes here. Whether this third grand jury also would consider the charges, made public in a speech by Rep. B. G. Patton of Franklin county, was undecided, although three witnesses before the jury had been involved in recent investigations. An investigation of affairs at the college was made by a local group, and their findings submitted to the state cabinet. William H. Gray, Jr., re-

signed as president of the college without a hearing and without formal charges being made.

TALLAHASSEE—All roads will lead to Key West March 13, when the state road department will receive bids on \$3,000,000 worth of new construction. The new budget, to contain \$60,000,000 worth of roads and bridges, will be given its final review and approval at the Key West meeting. Projects in some 19 counties will be built from contracts let from bids received at this meeting.

TALLAHASSEE—April 1 will see a drop in the state welfare checks, reduced because of dropping state income. Welfare Commissioner Sherwood Smith told the cabinet most welfare checks would be reduced, some as much as 30 per cent, because the cabinet can release only 90 per cent of its appropriation from the general fund. The 10 per cent holdbacks has been ordered until state income catches up with the 1949 appropriations.

Sun Dance Starts In WPB On Sunday

WEST PALM BEACH—A week-long celebration commemorating this city's golden jubilee anniversary will open here next Sunday starting a six-day variety of entertainment which will be climaxed by a revival of the famous Seminole Sun Dance.

Mayor W. P. Holland, celebration chairman, said the first four days of the event will be devoted to celebration of the anniversary and will feature a historic pageant, Trek To The Sun, which will portray this city's first 50 years of existence. A cast of more than 400 people are being used to dramatize the historical events.

On March 16, the Seminole Indians take over the event and will stage a number of their native fun dances in the Currie Park amphitheatre. An Indian village will be erected at the celebration site and will be open for inspection the entire week.

Other events will include a parade of progress on March 15, a boat and yacht parade on March 17 and a youth parade on March 18.

Pre-festival events include a city wide popularity race in which a field of more than 20 candidates are seeking the honor of being named Miss West Palm Beach.

The celebration will open in Flagler Park, Sunday March 12, with a religious and Americanism day program which will include a concert by the 100-piece Army Ground Forces Band from Washington D. C. which is being brought here under the joint sponsorship of the Civilian Air Patrol and the U. S. Army & Airforce recruiting service.

HUMPTY-DUMPTY

hit a stone wall,
After too many drinks from the keg;
His car took fire—made a funeral pyre,
And now he's just a fried egg!

Funny? No!—Humpty Dumpty's kind of death is only stupid—and criminal.

Look at the facts: Drinking drivers cause one out of every five highway deaths. When innocent victims perish, too, that's manslaughter! It must be dealt with by strict laws, strictly enforced.

Even one or two drinks slow reactions, impair judgment, increase accident chances three to four times.

Drinking and driving just don't mix. If you drive, don't drink. If you drink, don't drive.

WORLD'S FIRST ANTI-RUST GASOLINE

CONTAINS RD-119*

New Chemical Discovery Protects
Your Car's Fuel System Against
Rust and Corrosion

STOPS RUST in your gasoline tank
STOPS RUST which clogs fuel lines,
strainers, carburetor jets
REDUCES WEAR caused by abrasive
rust particles

WHY YOU NEED ANTI-RUST GASOLINE:

All gasolines contain minute quantities of water caused by moisture condensation. Result: Rust forms inside your gasoline tank. Rust particles, carried by the gasoline, clog fuel lines, strainers and carburetor jets—cause wear on precision parts in fuel pump and carburetor. The amazing new chemical, RD-119, in Sinclair Gasoline coats the inside of your car's fuel system with an invisible protective layer that prevents rust.

*Trade Mark

RUSTED IN ORDINARY GASOLINE—This steel rod is heavily coated with rust after immersion in ordinary gasoline in prescribed laboratory test. In test, a small proportion of water was added to the gasoline because all gasoline contains minute quantities of water caused by moisture condensation.

PROTECTED IN NEW SINCLAIR GASOLINE—This steel rod shows no rust after immersion in Sinclair Gasoline containing RD-119 in test identical to one at left. In the same way, RD-119 in the new Sinclair Gasoline stops rust and corrosion in the gasoline tank and fuel system of your car.

Christian Science Society

CHURCH OF CHRIST, SCIENTIST
"SUBSTANCE" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world on Sunday, March 12.

The Golden Text is: "I know that, whatsoever God doeth, it shall be for ever: nothing can be put to it, nor any thing taken from it" (Eccl. 3:14).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Now we have received, not the spirit of the world, but the spirit which is of God; that we might know the things that are freely given to us of God" (1 Cor. 2:12).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy:

"A Christian Science, substance is understood to be Spirit, while the opponents of Christian Science believe substance to be matter. They think of matter as something and almost the only thing, and of the things which pertain to Spirit as next to nothing, or as very far removed from daily experience. Christian Science takes exactly the opposite view" (349:31).

The Canal Point Methodist Woman's Society of Christian Service conducted its March meeting in the educational building of the church Tuesday afternoon, with Mrs. W. K. Buchanan, president presiding.

Named on a nominating committee to recommend new officers were Mrs. Donald Kepp, Mrs. Pope Sears and Mrs. Earl Maxson.

The program consisted of questions and answers on "We, the People of the Ecumenical Church." Mrs. F. W. Cross presented the devotional topic being, "Our Christian Brothers overseas."

Mrs. Pope Sears, hostess, served refreshments to 20. Mrs. Elmer Maxson and Mrs. Yoemans were visitors.

CIRCLES TO MEET

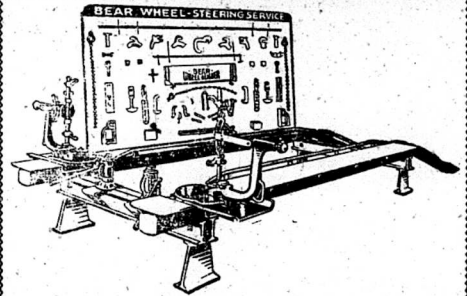

The Lucy Jones Circle, First Baptist WMU, will meet at the home of Mrs. Ellsworth Keen Tuesday, Mar. 14, at 3:30 p. m.

The Grace Jernigan Circle will meet on the same day at 7:30 p. m. at the home of Mrs. Frank Thompson.

Mr. and Mrs. John Gilliam of Fayette, Ala., are spending a week in Pahokee visiting Mrs. W. A. Howell and her sister, Miss Elizabeth Cataway and Mrs. Susan Renfro.

Mr. and Mrs. Robert Walker have as their guests Mr. and Mrs. John T. Owens and children of Fort Mitchell, Ala.

Mrs. H. M. McIntosh has returned from St. Petersburg where she was called recently by the illness of her aunt, Mrs. N. E. Ingram.

Come to Church

The churches of the Everglades extend a warm welcome to every person to attend church on Sunday. You'll get a deep satisfaction out of attending the church of your choice. With the beginning of a New Year there is no better time than NOW to make a resolution to do a better job attending church in 1950 than you did in the year past. You'll personally enjoy the wonderful messages of faith which are in store for you during this good year ahead. Today, make a resolution that one hour out of the week's 168 will be devoted to church services. Can you do less? Watch the columns of The Everglades News for church announcements weekly. The Lake Region is blessed with a group of fine churches. Your attendance will make the work of these churches more successful.

County Red Cross Drive Going Good

WEST PALM BEACH—The annual Palm Beach County Red Cross fund drive was more than 30 percent complete this week as fund workers reported a total of \$29,358 collected against a county-wide fund goal of \$91,325.

P. P. deMoia, county fund chairman said the weekend round-up of community totals, represented solicitations reported by fund campaign volunteers for only four days of his drive. The campaign will continue throughout the rest of March.

In the smaller communities, Boca Raton, where Mrs. J. Meyer Schine heads the drive, has set the outstanding campaign record to date, according to deMoia. Mrs. Schine, the chairman said, reported a triple oversubscription to the fund goal only a few hours after the drive opened. The Boca Raton quota of \$650 was topped by some \$1,200, deMoia said.

The chairman commended the fund campaign organization in Pahokee for their progress in the opening days of the drive. The Red Cross volunteers in this Glades community reported collections of \$830, more than half of their \$1,500 quota. The Pahokee fund group is headed by the Rev. Ralph Todd. Last year Pahokee raised \$523.

The "good start" which the Pahokee workers have reported, represents virtual assurance of 100 percent of their quota, deMoia said in commending the volunteers.

Lake Worth was pointing toward the 50 percent mark last weekend the chairman said, with a total of \$3,106 collected against a \$7,000 quota. Mrs. Marjorie Collins is again heading the fund campaign in Lake Worth.

Other community fund chairmen reporting last weekend included Russell P. Kelly, Palm Beach, \$19,600 against a \$45,750 quota; Fred O. Dickinson, Jr., West Palm Beach \$2,842, quota \$24,500; Mrs. Clayton Waters, South Bay-Lake Harbor \$58, quota \$250; Robert Underhill, Riviera Beach, \$200, quota \$1,000; Carl Amlin, Delray Beach \$400, quota \$6,500; Miss Lois Marchant, Lake Park \$100 quota \$350; Harry Moores, Jupiter, \$175 quota \$350.

Drives are set to open in Belle Glade and Boynton Beach this week, deMoia said.

Haughton - Belk

Dr. and Mrs. A. C. Haughton, Belvedere Rd., West Palm Beach, announce the engagement of their daughter, Miss Jeanne LaVerne Haughton, to George Maury Belk, Jr., son of Mr. and Mrs. G. M. Belk of Pahokee.

Miss Haughton is a graduate of Palm Beach High School and attended Palm Beach Junior College and Florida State University.

Mr. Belk, a graduate of Pahokee High School, was president of his class of 1949. Following graduation he attended Palm Beach Junior College and is now employed by the Electrolux Company.

The wedding is planned to take place in the spring.

STUDY CHURCH MUSIC

Mrs. Mildred Todd, director of the Senior and the Vesper Chorus at the Pahokee First Methodist Church; Mrs. Theresa Collins, Junior Choir director, and Mrs. William McClenithan, organist, are attending the Institute of Church Music which is being conducted at the First Methodist Church in West Palm Beach this week under the direction of Dr. R. G. McCutchan, editor of the Methodist Hymnal.

The local union No. 628 in Pahokee will meet tonight at 7:30 o'clock at the union hall on Barfield highway, according to an announcement by Secretary Teeters.

Mrs. Hilda Wilkinson is ill with the flu this week at the home of her parents, Mr. and Mrs. Walter G. Hull.

"Happy Birthday"

Lakeland Ford Co. Is Low Bidder

TALLAHASSEE—The Lakeland Ford Company submitted apparent low bids last week on 125 Ford sedans and trucks for the State Road Department. The Lakeland firm offered a low unit bid of \$1285 for 30 two-door sedans, \$1319 for 30 four-door sedans, \$1080 for 50 pickup trucks and \$1652 for 25 two-ton trucks.

At the same time, dealers were asked to submit bids March 8 on 65 new Chevrolet automobiles and trucks. Bids were requested on 15 sedans, 25 pickups and 25 two-ton trucks. Earlier in the week, the department purchased 10 Chevrolet sedans from the Harrison Chevrolet Company of Marianna for \$1464 each.

Chairman Alfred A. McKethan said bids are being requested on specific models in an effort to equally divide the department's purchases. The new equipment will be used in the road department's expanded program.

Cinematic Chatter

By Malcolm Millar

Marauders in the night... Rustlers... Plunderers... Living by law of lash and gun, with a kid who was the target for every man's bullet and every woman's kiss... That's the absorbing story of "The Sundowners", which is to be shown at the Prince Theatre, Sunday-Monday.

The star of the piece John Barrymore Jr. has the famous profile of his father and shows plainly that he has inherited the Barrymore bent for acting. He is terrific in this picture.

Taken from the story of a famous Texas cattle war, this fine story is one of the most exciting films that has been seen here in some time. The beautiful technical photography, depicting the West in all its glory is something entrancing like a beautiful fairy story.

I am quite sure you will enjoy every moment of this very entertaining show.

See you at the movies—Mal.

Auxiliary Against Socialized Medicine

In a recent letter from the Florida Medical Association asking for support in a crusade against socialized medicine, the Canal Point American Legion Auxiliary, at their last business session, resolved to take a definite stand against compulsory Health Insurance.

To further action against this proposed program, a letter expressing the views of Auxiliary members was sent to the president of Florida Medical Association, W. C. Payne, M. D. The National Education Campaign and Senators for the State of Florida.

Pepper Carries His Campaign to People

Senator Claude Pepper took his reelection bid direct to the people this week with more than 30 speeches in half a dozen Florida counties.

Everywhere, the state's senior senator made it plain he considered the main campaign issue to be "whether we want to go ahead on the road of prosperity and progress with the Democratic party, or turn the country over to the forces of reaction and go back to the dismal days before the first inauguration of Franklin D. Roosevelt as president in 1933."

Senator Pepper started his formal campaign with a rousing speech before some 2,500 people in Miami's Bayfront Park auditorium. The address also was broadcast over a statewide radio network and Pepper's headquarters at Tallahassee was flooded with telephone calls and telegrams the next day indicating the talk had received a tremendously favorable reception throughout Florida.

His campaign gaining momentum, Senator Pepper drew another whopping crowd of more than 2,500 to Tampa's courthouse square the following night, despite chilly weather. In every county he visited last week and early this week, the senator scheduled a major address. But he also covered the smaller communities in each county, making numerous brief street corner talks. In all these appearances, the senator greeted old friends who have supported him constantly during his almost 14 years in the United States Senate.

At the same time, Pepper's state headquarters issued a campaign circular in the form of a tabloid newspaper. The circular contained such items as these:

1. A facsimile reproduction of the scroll of honor awarded Senator Pepper by the Veterans of Foreign Wars "in appreciation of his deep interest and concern in the patriotic ideals and principals that have been reflected in the aims and purposes of our organization since its founding in 1899."

A certificate from the Future Farmers of America conferring on Senator Pepper the honorary degree of state farmer.

3. A statement by Pepper, often made in the past, that while he believes in fairness to all, he has vote against compulsory FEPC and will continue to do so.

Senator Pepper's itinerary for this week included appearances in Orlando Wednesday, Gainesville Thursday, Jacksonville Friday and Daytona Beach Saturday.

U. S. 1 through Dania will be widened, according to a report from the office of Merrill Barber, division chairman for the State Road Department. This has been a controversial issue for almost 15 years.

To Study National Guard Setup

TALLAHASSEE—Secretary of the Army Gray at Washington last week assured congressmen of Florida, Georgia and South Carolina that he will study a proposal to set up separate National Guard divisions in each of the three states.

There are two divisions in the three states, the 51st composed of Florida and South Carolina guardsmen and the 48th of Florida and Georgia guardsmen. Gray was told that each state would prefer a separate division to avoid difficulties in training. Under the setup now, the division staffs are split among the states.

Under the proposed new setup the 51st Division would be in South Carolina, the 48th in Georgia and Florida would have a new one. Rep. Sikes (D., Fla.) member of the House subcommittee on military appropriations, acted as spokesman for the Congress members and their representatives.

Jerry Carter Is FR&PUC Candidate

TALLAHASSEE—Jerry W. Carter announced today that he will be a candidate for re-election to the Florida Railroad and Public Utilities Commission in the May Democratic primaries.

The veteran commissioner, who holds the honorary position of national Democratic committeeman for Florida, said he will qualify in the near future. He plans his usual campaign, he said, consisting of public speaking throughout the state, shaking hands at all places where he can meet one or more citizens, and conducting a vigorous letter-writing program.

The jocular, good natured Jerry, as he is known to hundreds of thousands of Florida voters, has served on the railroad commission since 1935. In the 1934 primaries he defeated five other candidates, including the incumbent commissioner, and since then has been re-elected by increasingly large majorities in three other elections.

LIFE IS REVIEWED

A review of the life of Rev. W. W. Lawton, missionary to China, was given by Mrs. Ralph Grimes at a meeting of the Fay Taylor Circle, First Baptist WMC, at the home of Mrs. Leslie Ippock this week, with Mrs. C. L. Shirley, chairman, presiding. Mrs. T. W. Knight was in charge of the devotional program. Refreshments were served to 15.

ATTEND LIONS MEET

Teachers of the Canal Point School were guests of the Canal Point Lions at the regular dinner meeting of the club Monday night. President A. R. Harrington presided.

Mr. and Mrs. Robert K. Shook returned Saturday to their home in Winston-Salem, N. C., after a two weeks' visit with her uncle and aunt, Mr. and Mrs. John Dragon in Pahokee.

Mrs. B. Elliott is convalescing from a recent illness at the Everglades Memorial Hospital.

Mr. and Mrs. O. B. McClure left Sunday for Lyford, Texas, where they were called by the death of her sister, Mrs. R. C. Roseboom.

The famous Curtis Six Pony Hitch will be featured during the Florida Sportsmen's Exposition-Lake County Fair in Eustis, March 14 through 18.

What Do You See On Highway No. 1?

TALLAHASSEE—What do you see as you ride down 413-mile long U. S. Highway 1 from the Georgia line to Key West? You see 8883 small signs, 1128 larger ones, 1273 eating places, 281 filling stations, 334 motels and tourist cabins, 223 roadside stands and 30 amusement places.

Authority for this is the Florida Voluntary Roadside Improvement Association and the State Road Department's division of outdoor advertising. The object of the check is that the association is hoping to get proprietors of roadside businesses to tidy up their premises to make the highway look more attractive.

Besides U. S. 1, the checking team journeyed over 12 other representative Florida highways. The other roads covered were U. S. 17, U. S. 19, Florida 20, Florida 24, U. S. 27, U. S. 29, U. S. 41, U. S. 90, U. S. 98, Florida 100, U. S. 301 and U. S. 319.

U. S. 1 led all the other highways in the number and variety of roadside establishments.

Phone Company Has Building Program

Southern Bell Telephone Company's Annual Report released today disclosed that, in spite of inadequate earnings, the company not only furnished a record volume of telephone service to the South in 1949 but also spent huge sums in constructing additional facilities to meet the continuing heavy demand for more service.

Of progress so far and requirements still to be met, President Hal S. Dumas said in the report: "Our unprecedented postwar expansion and improvement program has thus far required more than a third of a billion dollars of new capital. This capital investment in the South has been attracted in spite of our unsatisfactory earnings because of the faith which investors have in the soundness and fairness of the South and its institutions. The continuance of this supply of capital in the future must, of necessity, depend more on adequate earnings and less upon the hope of better things to come."

The report revealed that: 1. Southern Bell in 1949 added 271,953 telephones in nine states; 82,000 were in rural areas. At year's end, 3,198,145 Southern Bell telephones were in service.

2. Quality of service continued to improve and, in most cases, equaled or surpassed any previous level.

3. The company in 1949 spent \$136,000,000 for new facilities, bringing the four-year postwar total to \$496,000,000.

4. Earnings for the company were at the rate of only 4.86 cents on each dollar of invested capital, which, although slightly above 1947 and 1948, compares with 6.90 cents in 1939. The 1949 earning rate is too low to meet Southern Bell's continuing need to raise large sums of new capital for investment in the South.

5. The total payroll for 1949—\$137,245,031—was nearly five times that of 1939.

6. Operating taxes paid reached the record amount of \$31,319,000, an increase of \$8,454,000 over 1948.

The year 1949 was the fourth consecutive year of poor earnings, and the 1946-49 period constitutes the longest sustained poor earnings period since the early pioneering days of the company.

Reasons for the low earnings in this generally prosperous period are higher wage levels and other increased costs. Telephone rates in general have not been fully adjusted to the higher costs, the report says. Higher wage levels alone have accounted for a greater increase in costs than rate increases have provided in additional revenue.

Anderson Chastain has been ill at his home the past week.

PTA Worker Heard By Canal Pointers

Mrs. E. J. Shea of West Palm Beach, past president of the PTA County Council, was guest speaker at the March meeting of the Canal Point Parent-Teacher Association held in the school auditorium Monday night, with Mrs. Pope Sears, vice president, presiding in the absence of the president, Mrs. Boyd Vorhees. The subject of her talk was "Quarters for Headquarters". Mrs. Wetterstrom of West Palm Beach, chairman of the PTA exceptional children committee, also was a guest. She spoke on "The Need for Volunteer Workers in Palm Beach County."

Also on the program the Pahokee High School Band under the direction of Bandmaster Robert O. Lampi presented a delightful concert of popular musical numbers. Lee Jeffers, former member of the band, was guest soloist.

Named on a nominating committee to recommend new officers were Mrs. Osceola Upthegrove, chairman, Mrs. Floyd Erickson and Mrs. L. V. McClelland. Mrs. S. A. Nell was appointed in charge of the annual audit of the treasurer's books.

New room mothers chosen to serve for the remainder of the school year were Mrs. J. D. Stacy and Mrs. Helen Lawton, first grade; Mrs. Oscar Chastain and Mrs. Edward Rogers, second grade; Mrs. J. W. Repper and Mrs. Joe Calhoun, third grade; Mrs. D. L. Hooks and Mrs. O. H. Sheppard, fourth grade; Mrs. R. T. Smith and Mrs. C. L. Stuart, fifth grade; Mrs. J. D. Latham and Mrs. Osceola Upthegrove, sixth grade. The monthly attendance banner

was won by the fourth grade room.

Lottie Moon Circle Receives New Member

Mrs. Felix Lynn was received as a new member of the Lottie Moon Circle, First Baptist WMU, at a meeting at the home of Mrs. H. H. Shirley Monday afternoon.

The devotionals were led by Mrs. W. A. Stevens, Sr., assisted by Mrs. R. O. Lampi and Mrs. W. H. Rogers. Mrs. A. C. Santo was in charge of the program, "Torch-bearers of Honan."

The group discussed plans for a WMU tea to be held at the church Monday, Mar. 20, at 3 p. m., honoring Mrs. R. Kelly White of West Palm Beach, state stewardship chairman, who will speak on "Stewardship" and Mrs. Dennis Bell, president of the WMU Palm-Lake Association.

It was announced the next meeting of the circle will be held at the home of Mrs. R. O. Lampi on April 3, with Mrs. W. H. Rogers assisting as co-hostess. Refreshments were served to 14. Mrs. Ralph Grimes, WMU president, Mrs. Morris Baxter and Mrs. Santo were visitors.

Mrs. Harrington Is Named Mission Head

Mrs. A. R. Harrington was re-elected chairman of the Pahokee Canal Point Board of the Florida Chain of Missionary Assemblies at a recent meeting of the board held at the Canal Point Methodist Church.

Other officers chosen were Mrs. Norman Kennedy, first vice president; Mrs. O. R. Bleech, second vice president; Mrs. Earl J. Jones, secretary, and Mrs. John A. Dulaney, treasurer.

BPW Club Elects Officers For Year

Mrs. Doris Sasser was elected president of the Everglades Business and Professional Woman's Club at a meeting at the home of Mrs. Violet Hall Tuesday night, with Mrs. Fay Abbing, retiring president, presiding.

Other new officers chosen for the coming year were Miss Julia Mathis, first vice president; Mrs. Violet Hall, second vice president; Mrs. Lara Richardson, recording secretary; Miss Beatrice McLen-don, corresponding secretary, and Mrs. Rethelle Dobrow, treasurer.

Plans were discussed for the annual banquet and installation of new officers to be held on April 19.

It was announced that the Everglades B&PWC received top rating in membership among the clubs within the district the past year and rising vote of thanks was given to Mrs. Violet Hall, membership chairman, for her work in achieving this goal. It was also announced that a district meeting will be held at the South Ocean Club in Lake Worth on Sunday, Mar. 12.

Members were asked to cooperate with Mrs. Marjorie Henderson, chairman, in the club project

of collecting magazines for the patients at the TB sanitarium in Orlando and the State Hospital in Chattahoochee. They were also asked to contribute to the blood bank at Good Samaritan Hospital in West Palm Beach.

Miss Betty M. Taverna, former Pahokee resident, and T. R. (Bob) Hoskison, both from the tax assessor's office in West Palm Beach, spent Tuesday at the city hall in Pahokee on business.
